

Π Π ρ

The image shows three red Greek letters at the top: two Pi symbols (Π) and one rho symbol (ρ). Below each red letter is a large, bold, black calligraphic stroke. The first black stroke is a thick, sweeping curve that starts with a small vertical tick on the left and ends with a sharp downward hook. The second black stroke is a thick, slightly curved vertical line that also has a small vertical tick on its left side. The third black stroke is a thick, jagged, and angular shape, resembling a stylized 'N' or a series of connected diagonal lines.
